### Letter of Reference

Mark Knope performed at our corporate holiday party held at the Kingsley Inn on December 15, 2001 and his performance was hailed by all attending.

Mr. Knope performed in a professional manner . . . but his humor & comedy definitely rated an "A+". During his performance, he held his audience captivated & laughter was abundant. If you just want to sit back, relax & "laugh at life", then I would suggest inviting Mark Knope to entertain you.

Sincerely,

Kathy Wlosinski
